

CONQUISTA – CCC600

The CCC600 – THE MAKO. The ultimate center console fisherman with sporty, yet elegant lines, exceptional handling and seaworthiness all in an affordable and compact package. Despite its size and low weight, the CCC600 provides an exceptionally stable, dry and soft boating experience for the whole family and crew even when the weather turns on you. The perfect mid-size level fishing boat at half the price of our competitors.

The CCC600 features an infusion molded, ultra-stiff and light-weight hull, fully functional 360-degree fishing action, a self-bailing deck and a uniquely design aluminum T-Top with plenty of space for all your fishing gear. The floor-integrated storage/kill tank provides plenty of volume for your supplies or the catch of the day. The dashboard features plenty of space for additional instruments and a fish finder or MFD.
